P.O. Box 12668
Tallahassee, FL 32317

Dear Riley,

I want to express my appreciation to you for allowing Sutton Webb to meet with Bill Douglas at the Historic Monticello High School, to discuss the leaking roof. We are very grateful for his recommendations and for the offer to send over your personnel to apply the sealant to the roof.

The Historic Monticello High School holds a special place in the hearts of many of our residents. On behalf of the Jefferson County School District and the community, we thank you again for your generosity. We wish you and your company well in all your future endeavors.

Sincerely,

William E. Brumfield
Superintendent of Schools
