Riley,

I want to thank you for the wonderful job that you did on our Senior Center renovation project. From the outset we were ahead of the game due to the efforts put forth by your crew, spearheaded by Project Manager, Rick Anderson. Rick was unwavering in his attention to detail and to getting the various sub-crews to stay on task and on time.

Our Board of Directors, the staff and especially our Seniors, are very pleased with the finished result and we are all appreciative of the little "extras" that you authorized. Thank you for yours and Rick's expertise and willingness to see the project through in a timely and professional manner.

I would like to single out Rick Anderson for his congeniality and for his prompt handling of any and all requests that we had outside the scope of the original contract. He was easy to work with and a complete delight in his professional handling of the entire project. We hope to have the opportunity to work with Riley Palmer Construction Co., in the future and should you ever need a letter of recommendation please do not hesitate to call me. It would be my pleasure to accommodate those requests.

Sincerely,

Ruby Ellis
